BUNBURY

About us:

ATC Work Smart in partnership with host employers across all industries and disciplines engage, inspire and develop the next generation of skilled tradesmen and women. We have been supporting trainees and apprentices for over 35 years and understand how to help you achieve success.

Why an apprenticeship?

An apprenticeship opens the door for you to become a tradesman. "Tradies" get the best of both worlds learning the theory behind their trade but spend most of their time getting real hands-on experience in the field, no sitting around in classrooms. Tradies are considered to be professionals with a high level of both practical and theoretical knowledge of their trade.

During your apprenticeship you will:

- earn a wage while you train
- learn on the job skills combined with off the job training
- receive a nationally recognised qualification on successful completion
- start a valuable step towards a rewarding career path
- have job security when you are qualified
