

Apprentice - MSF30322 - Certificate III in Cabinet Making & Timber Technology

Full Time Apprenticeship

Geraldton, Gascoyne & Midwest WA

About us:

ATC Work Smart in partnership with host employers across all industries and disciplines engage, inspire and develop the next generation of skilled tradesmen and women. We have been supporting trainees and apprentices for over 35 years and understand how to help you achieve success.

Why an apprenticeship?

An apprenticeship opens the door for you to become a tradesman. "Tradies" get the best of both worlds learning the theory behind their trade but spend most of their time getting real hands-on experience in the field, no sitting around in classrooms. Tradies are considered to be professionals with a high level of both practical and theoretical knowledge of their trade.

During your apprenticeship you will:

- earn a wage while you train
- learn on the job skills combined with off the job training
- receive a nationally recognised qualification on successful completion
- start a valuable step towards a rewarding career path
- have job security when you are qualified

The role:

Apprenticeship in Cabinet Making / Joinery for medium sized joinery workshop supporting trade qualified cabinet makers with our day to day work and assisting with the manufacture of products.

About you:

The successful applicants will:

- Be passionate about a career in the joinery/cabinet making industry
- Have the ability to multi task as well as manage time efficiently
- Be motivated and willing to learn
- Have an eye for detail
- Have the ability to work effectively as part of a team
- Have well developed literacy and numeracy skills and be able to read and follow instructions

- Maintain a clean and safe workspace, and abide by workplace health and safety policies and procedures
- Previous work experience is also highly desirable but not essential
- Must be able to provide a clear Drug and Alcohol screening

Educational requirements:

- No experience is required to undertake an apprenticeship, however an interest in woodwork and a desire to enter the joinery industry is essential
- A basic understanding of hand and power tools is desirable but not essential, as training will be provided for the successful candidate
- Willing to obtain a manual Driver's licence
- Must have a White card

On offer to employees:

- Full time hours with possible over time and allowances paid
- Comprehensive work and learning experiences on and off site
- Specialised on-going mentoring from industry trained professionals
- Employee benefit program

How to apply:

Please submit the following:

- A cover letter briefly describing why you are interested in this role
- A current resume outlining your education, skills, knowledge and experience

Applications are welcome via email to positions@atcworksmart.com.au or enquiries can be made to [\(08\) 6819 5300](tel:0868195300)
