

Apprenticeship Certificate III in Mobile Plant Technology

Full Time Apprenticeship

Geraldton

About us:

ATC Work Smart in partnership with host employers across all industries and disciplines engage, inspire and develop the next generation of skilled tradesmen and women. We have been supporting trainees and apprentices for over 35 years and understand how to help you achieve success.

Why an apprenticeship?

An apprenticeship opens the door for you to become a tradesman. "Tradies" get the best of both worlds learning the theory behind their trade but spend most of their time getting real hands-on experience in the field, no sitting around in classrooms. Tradies are considered to be professionals with a high level of both practical and theoretical knowledge of their trade.

During your apprenticeship you will:

- Earn a wage while you train
- Learn on the job skills combined with off the job training
- Receive a nationally recognised qualification on successful completion
- Start a valuable step towards a rewarding career path
- Have job security when you are qualified

The role:

This work can be physically demanding therefore you will need to demonstrate an interest in the industry.

This occupation may include the following tasks:

- Detecting and diagnosing faults in engines and parts
- Dismantling and removing engine assemblies, transmissions, steering mechanisms and other components, and checking parts
- Repairing and replacing worn and defective parts and reassembling mechanical components, and referring to service manuals as needed

- Performing scheduled maintenance services, such as oil changes, lubrications and engine tune-ups, to achieve smoother running of vehicles and ensure compliance with pollution regulations
- Reassembling engines and parts after being repaired
- Testing and adjusting mechanical parts after being repaired for proper performance
- Diagnosing and testing parts with the assistance of computers
- May inspect vehicles and issue road worthiness certificates or detail work required to achieve road worthiness

On offer to employees:

- Full time hours with possible over time and allowances paid.
- Comprehensive work and learning experiences on and off site.
- Specialised on-going mentoring from industry trained professionals.
- Employee assistance program.

About you:

The successful applicants will have:

- Applicant has achieved passes in English and Math at Year 11 or above
 - Applicant is eligible to enter into an Apprenticeship Training Contract with ATC Work Smart
 - Applicant is able to demonstrate an interest or connection with this trade through subjects undertaken at school or through life experience to date
- Current drivers' license is desirable, can obtain a Police clearance and are happy to undertake Drug and Alcohol screening.

How to apply:

Please submit the following:

- A cover letter briefly describing why you are interested in this role
- A current resume outlining your education, skills, knowledge and experience.

Applications are welcome via email to positions@atcworksmart.com.au or enquiries can be made to [\(08\) 6819 5300](tel:0868195300).

All enquiries and applications will be handled in strict confidence.

ATC Work Smart is an Equal Opportunity Employer and is committed to building a workplace culture that values diversity and inclusion. To be eligible for an apprenticeship or traineeship you must be an Australian Citizen or Permanent Resident.
