

Apprenticeship CPC30220 - Certificate III in Carpentry

Full Time Apprenticeship

ALBANY

About us:

ATC Work Smart in partnership with host employers across all industries and disciplines engage, inspire and develop the next generation of skilled tradesmen and women. We have been supporting trainees and apprentices for over 35 years and understand how to help you achieve success.

Why an apprenticeship?

An apprenticeship opens the door for you to become a tradesman. "Tradies" get the best of both worlds learning the theory behind their trade but spend most of their time getting real hands-on experience in the field, no sitting around in classrooms. Tradies are considered to be professionals with a high level of both practical and theoretical knowledge of their trade.

During your apprenticeship you will:

- earn a wage while you train
- learn on the job skills combined with off the job training
- receive a nationally recognised qualification on successful completion
- start a valuable step towards a rewarding career path
- get job security when you are qualified, Tradies are in high demand

The role:

We are looking for a motivated, committed, reliable person with a can-do attitude who is wanting to gain practical on the job experience through a full-time apprenticeship in Carpentry.

This apprenticeship involves working with an employer who provides an opportunity to learn all aspects of a trade. This is a structured program for a fixed period of time and while you learn on the job, you also attend off the job training at TAFE or with a Registered Training Organisation.

Tasks include, but are not limited to:

- Use of power and hand tools
- Work safely at heights
- Read and interpret plans and specifications
- Install flooring systems
- Constructing wall frames
- Framing roofs
- Installing windows
- Maintaining tools, resources and a clean work site

On offer to employees:

- Full time hours with possible over time and allowances paid.
- Comprehensive work and learning experiences on and off site.
- Specialised on-going mentoring from industry trained professionals.
- Employee benefit program.

About you:

To be successful in this role, you will have:

- OHS white card (or we can help you get one)
- An ability to undertake manual/physical work
- Strong work ethic and be reliable
- Ability to follow instructions and work in a team environment
- Positive attitude and be willing to learn
- Be comfortable working at heights

Other attributes that will be favourable (but not required):

- Experience in carpentry or general building / labouring
- Completion of Certificate II in Construction
- Ability to start immediately

Educational Requirements:

- School Leaver OLNA or NAPLAN 9 Band 8, or
- Non-School Leaver C Grades in Year 10 English and Maths or equivalent, or
- AQF Certificate I or Certificate II

How to apply:

Please submit the following:

- A **cover letter** briefly describing why you are interested in this role
- A **current resume** outlining your education, skills, knowledge and experience

Applications are welcome via email to positions@atcworksmart.com.au or enquiries can be made to [\(08\) 6819 5300](tel:(08)68195300).

All enquiries and applications will be handled in strict confidence.

ATC Work Smart is an Equal Opportunity Employer and is committed to building a workplace culture that values diversity and inclusion

To be eligible for an apprenticeship or traineeship you must be an Australian Citizen or Permanent Resident
