

## Certificate III in Laboratory Skills (MSL30122).

### Full Time Traineeship

Geraldton, Gascoyne & Midwest

Yamatji Water Technician Trainee

#### About us:

ATC Work Smart in partnership with host employers across all industries and disciplines engage, inspire and develop the next generation of skilled workers. We have been supporting trainees and apprentices for over 35 years and understand how to help you achieve success.

#### Why a Traineeship?

A traineeship is an excellent way to achieve a nationally recognised qualification whilst working in a real job. Traineeships are available to anyone of working age. Becoming a trainee could be the best thing you ever do. You'll earn a wage and work towards a qualification that could take you places. The successful candidate will undergo a combination of on-the-job training and off the job training to achieve Certificate III in Laboratory Skills (MSL30122). A dedicated ATC Work Smart Industry Consultant will assist you every step of the way, you'll be able to contact your mentor when you need them, plus they regularly visit you in the workplace.

#### The role:

ATC Work Smart (Geraldton) in partnership with Yamatji Water, is currently seeking to fill two immediate Traineeship positions. These positions will allow applicants to broaden their horizons through on-the-job training and provide the potential for future career pathways within the water management, environment and sustainability industry.

To be considered, applicants should be Members of the **Yamatji Southern Regional Corporation** (or eligible to become members). You will also have the ability and willingness to undertake the following:

- Supporting the team as required in the delivery of water measurement activities, including ground water bores and river flows
- Building relationships and providing a high standard of customer service
- Complying with public and private sector legislative requirements and Workplace policies, procedures and OHS requirements
- Assisting with the preparation and drafting of monitoring data and reports, correspondence and other documents as directed
- General administration, recordkeeping, adhering to timelines and contributing to measurement reporting
- Undertaking additional duties within the skill and scope of position capabilities, Industry and departmental needs
- Manual Drivers license desirable

These roles will require full Covid 19 vaccination and random D&A Testing

### On offer to employees:

- Full time hours with possible over time and allowances paid
- Comprehensive work and learning experiences on and off site
- Specialised on-going mentoring from industry trained professionals
- Employee assistance program

### About you:

To be successful in this role, you will:

- have successfully completed Year 10
- be able to effectively communicate and have great interpersonal skills
- have a 'can do' attitude
- be able to work independently and in small teams
- have a willingness to learn about workplace health and safety

Please note that applicants may need to complete a numeric, literacy and mechanical reasoning aptitude test, a pre-employment medical, and a drug and alcohol clearance

### How to apply:

Please submit the following:

- A **cover letter** briefly describing why you are interested in this role
- A **current resume** outlining your education, skills, knowledge and experience.

Applications are welcome via email to, [positions@atcworksmart.com.au](mailto:positions@atcworksmart.com.au) or enquiries can be made to [\(08\) 6819 5300](tel:0868195300).

All enquiries and applications will be handled in strict confidence.

ATC Work Smart is an Equal Opportunity Employer and is committed to building a workplace culture that values diversity and inclusion.

To be eligible for an apprenticeship or traineeship you must be an Australian Citizen or Permanent Resident.
